Please Remember To Give This Holiday Season

As we gather with our families to celebrate yet another holiday season, to reflect on the past year and anticipate the New Year, please remember those who are not as fortunate as you.

The Veteran's Park District is conducting a food drive and is in need of non-perishable canned and packaged goods (no glass please). Donations can be dropped off at Grant Park, 44 Golfview Drive.

The City of Northlake is collecting non-perishable food items on behalf of the Leyden Food Pantry. Donations can be dropped off

at City Hall, 55 E. North Avenue.

The Police Department is also collecting donations of money, gift cards and toys for the holidays. They also have an "Adopt a Child off the Angel Tree for Christmas" program. For more information regarding this program, contact the police department at 708-531-5755.

Besides food, other items are greatly needed as well – shampoo, soap, toothpaste, diapers, pet food, laundry supplies – anything that a household would need to function.

I wish all of you a safe, healthy and happy holiday season!

Safe Travels for the Holidays

The Northlake Police Department will be participating in the Illinois Department of Transportation Holiday Enforcement program "Click it or Ticket" beginning December 20, 2013 through January, 2014, as part of the department's effort to keep motorists and city streets safer during the busy holiday season.

Northlake police officers will emphasize enforcement efforts toward DUI offenses and safety belt and child passenger restraint violations. The police department would like to remind you that whether you are traveling around Northlake or traveling long distance, please keep the following safety tips in mind:

- Before the holiday festivities begin – plan a way to safely get home at the end of the night and always designate a sober driver.

- Always wear your seatbelts – It doesn't matter how far you are driving, who you are with or whether you are sitting in the front or back seat, it is important that you always buckle up for safety.

- Encourage others to wear their seatbelt – If you are the driver, it is your responsibility to make sure that everyone is buckled up. Passengers that are not wearing their seatbelt can be equally fined.

If you have any questions or traffic concerns in your area, please contact Sgt. Byars at the Northlake Police Department at 708-531-5751 or email me at kbyars@northlakecity.com

Drive Safe. Arrive alive.
Don't be a statistic.

"My Old Northlake"

My Old Northlake picture was identified by Genid N, who correctly stated it was at Roberta and Medill Avenues. She said it looks like her neighborhood, and it was nice to see some history of her neighborhood. The picture was taken in the 1950's.

Can you identify this 1940's era photo? Submit your answer by emailing the mayor at northlakemayor@comcast.net. If you have old city photos with a story please submit copies to the Mayor's office for future contests.

AUTOMATIC BILL PAYMENT SYSTEM

The City of Northlake has begun an Automatic Bill Payment System for your City Utility Bill where money can be directly deducted from your checking or savings account to pay the bill. If you are interested, you must come into City Hall to fill out the forms. Bring in a voided check or proof of a savings account in your name.

Just Hang Up!

The Best Way to Avoid Telephone Scams Is Also the Easiest.

Every day, seniors throughout Illinois fall prey to smooth-talking con artists who call them up and tell all kinds of convincing stories to get their money.

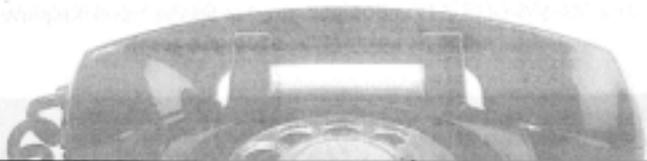

The Office of the Illinois Attorney General wants you to know that it's shrewd, not rude, to hang up the phone when a stranger asks you to send them money or give out your personal information.

The following are some common warning signs of telephone scams. If you spot any of these signs while on the phone, don't think twice:

Just Hang Up!

THEY CONTACT YOU. When you look up the number of a reputable business on your own and call to place an order, you have a good idea who's on the other end of the deal. But when the tables are turned and someone calls you, you have no way of knowing who the person really is, where they're calling from, or what they want from you. **Just Hang Up!**

THEY WANT YOUR PERSONAL INFORMATION. Any time a stranger asks you for your bank account number, Social Security number, or other sensitive information, you should be on high alert. This is a sure sign of identity theft. **Never** give personal or financial information to someone you do not know. **Just Hang Up!**

Just
Hang
Up!

THEY PROMISE A BIG AWARD. Scammers try to lure you in with promises of unexpected riches such as a large sum of money, a vacation, or a "get rich quick" investment scheme. Remember: If it sounds too good to be true, it probably is. **Just Hang Up!**

YOU MUST PAY THEM FIRST. It is illegal for someone to require an up-front payment to claim a lottery or sweepstakes prize. Scammers will often tell you that you must wire money out of state, or even out of the country, to obtain your winnings. **Never** wire money to a stranger. Wiring money is just like sending cash—scammers will get the money quickly, and you won't get it back. **Just Hang Up!**

Consider placing your phone number on the **National Do Not Call Registry**, if you haven't already done so. This will block most unwanted telemarketing calls. So, once your number is on the registry, you'll know that any telemarketer who does call you is probably up to no good. You can register your home phone or cell phone online at www.donotcall.gov or by calling 1-888-382-1222 (TTY: 1-866-290-4236) from the phone number you wish to register.

If you've fallen victim to or want to report a telephone scam, please contact the Illinois Attorney General's Consumer Fraud Hotline at 1-800-386-5438 (TTY: 1-800-964-3013) or Senior Fraud Helpline at 1-800-243-5377 (TTY: 1-800-964-3013).

Fall Tree Planting Completed

The 2013 fall tree planting was completed with the planting of 50 trees at various locations throughout the City.

Trees absorb storm water runoff, absorb various pollutants, produce oxygen and help reduce summer temperatures. Trees also improve property values as well, and studies have indicated that a block with mature trees also tends to slow down traffic. Trees also absorb and reduce urban noise – produced by airplanes, cars and other sources.

If you have space on your parkway and would like to have a tree planted, call the Public Works Department at 708-562-0940 to reserve your tree for the fall planting.

Please remember that trees in the City's right of way belong to the City and cannot be cut unless permission is first obtained from the Public Works Department. The right of way is generally the area 20 feet behind the curb. If you have a question or concern about a tree in this area, please call the Public Works Department at 708-562-0940.

Twelve Ways to Prevent the Flu

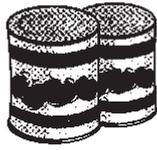

Flu season is mainly a fall and winter virus. It changes from year to year and spreads easily. It infects the nose, throat and lungs. Symptoms include fever, chills, sore throat, cough, stuffy nose, fatigue, headache and muscle ache. However, there are ways that the flu can be prevented.

1. Get immunized each year. A yearly flu vaccine is the best protection against seasonal flu. The vaccine is recommended for people 6 months of age and older.
2. Wash your hands. Do it often and do it well. Use soap and water. Scrub all surfaces for at least 20 seconds.
3. Use alcohol-based hand sanitizer. Use it any time soap and water are not available. Make sure the hand sanitizer is at least 60% alcohol.
4. Avoid touching your eyes, nose and mouth. The flu virus can live on other people's hands or on surfaces. It can get on your hands if you touch that person or thing. Then the virus can enter your body if you touch your eyes, nose or mouth before washing.
5. Cover coughs and sneezes. Use a tissue. Then wash your hands.
6. Clean and disinfect regularly. This can help kill the flu virus on surfaces. Focus on areas that are touched often. Some examples: kitchen counters, bather faucets, door knobs, telephones, handrails and keyboards.
7. Take care of yourself. Healthy habits can help boost your immune system. Get plenty of sleep. Eat a variety of healthy foods every day. Drink plenty of water. Get regular physical activity. Manage your stress: take breaks and try relaxation techniques.
8. Keep your distance from sick people. If a family member has the flu, wash your hands often. Try to avoid crowded place and public gatherings as much as possible.
9. Don't share personal items. Avoid sharing: eating utensils, towels, cups or straws, toothbrushes.
10. Teach children good hygiene habits. School age children are more likely to catch and spread the flu. Teach them how to: properly cover coughs and sneezes. Wash hands well (20 seconds).
11. If you have the flu, avoid spreading it. Stay home while you are sick. Generally, this is until at least 24 hours after a fever is gone. Follow your health provider's advice. Take any medication exactly as prescribed.
12. Prepare for the next flu pandemic. Keep an emergency kit stocked with food, water and other supplies to last for at least 2 weeks in case of a severe pandemic. A kit can help if you must stay home or if supplies run low.

For more information, you can contact the Centers for Disease Control and Prevention at 1-800-232-4636.

If you receive a phone call, or someone solicits door to door, before you donate, call City Hall to see if anyone who requests funds is registered with the Clerk's Office.

Reminder About Tents

Tents, defined as any portable structure, including sunscreens, with or without walls, made of canvas or other like materials, need to be dismantled from the front yard between Memorial Day and Labor Day. These structures need to be dismantled from areas other than the front yard between November 1 and April 1. This ordinance, O-16-2002, includes poles, stakes, wires and ropes.

Wipers and Lights

Motorists are reminded that Illinois Vehicle Code 12-201(b) requires the use of headlights, not only from sunset to sunrise, but also any time snow, rain, ice, for or other weather conditions require the use of windshield wipers. Headlights must also be used any time a person or vehicle on the highway is not clearly visible at a distance of 1,000 feet.

Placing Trash at Curb

Residents are reminded that trash may not be placed on the parkway before 5 p.m. the evening before the scheduled pick-up, which is Friday morning, unless there is a holiday during the week, when pick up will be on Saturday. Containers must be removed from the parkway by 5:00 p.m.

Inoperable Vehicles Prohibited

Northlake Municipal Code prohibits storing or parking junk cars or inoperable vehicles in residential districts. This regulation applies to any unlicensed vehicles or those with flat tires, broken windshields or other conditions that make them inoperable.

Applications for the program are also available at these locations.

How the program works...

Coupon books cost \$10.00 and have a value of \$20.00. A coupon (\$2.00 in value) is used as cash toward taxi fare. Individuals are allowed to purchase one book per month. Each book has an expiration date and must be used on or before that date.

No refunds or exchanges are available. All coupons must be used with cab companies contracted by Leyden Township. These companies and phone numbers are listed on the back of the coupon books.

Taxi Hints:

1. Avoid calling taxi companies during rush hours, as waiting time will be longer than normal.
2. If you have a change of plans please call the Taxi Company and cancel your request. Companies and drivers appreciate this courtesy.
3. Tipping is at the expense and discretion of the rider.
4. Taxis are in great demand in bad weather. Plan ahead and be patient if cab service is slow.
5. If you would like a courtesy call if cabs are running late, please make sure you leave your phone number for the Taxi Company to contact you.
6. When calling for taxi service, inform the Taxi Company that you are paying with Leyden Township cab coupons.

Any questions regarding this service, please contact Leyden Township Senior Services at (847) 455-8616.

Northlake Friendly 5K Run/Walk a Success

The Northlake Friendly 5K Run/Walk took place on Sunday, September 29th. Many local residents as well as neighboring friends and family enjoyed the perfect fall weather. The run path took runners through our beautiful Midland Trail utilizing West Leyden and Center Point Park. Individuals from all fitness levels, first timers to experienced runners, and families participated.

Local Northlake residents and event organizers Virginia DeSantis and Angela Borges raised \$1000 for the Northlake Police Memorial Fund. The fund's purpose is to erect a statue of a police officer near the newly built police station. The statue was chosen by the residents of the City of Northlake in a city-wide vote as a lasting memory dedicated to officers who have died in the line of duty. A number of Northlake officers were volunteers and were highly

appreciative of Virginia and Angela as well as our local support for this project.

If you wish to donate towards this worth project please contact the Northlake Police Department.

gift boxes	bubble wrap (consider reusing)
tissue paper	foam peanuts

As of August 1, 2007, the Handyman Program will once again be available to Senior Citizens and other qualified residents of Proviso Township. Our Handyman will be available to provide advice and referral on a variety of home maintenance issues. In addition, he will be able to do

minor repairs for a service fee of \$5.00 per visit plus the cost of parts if needed. Things like a leaky faucet or a toilet that keeps on running, replacing the refrigerator

bulb or the light at the top of the stairs that you just can't reach are some examples of the ways in which we can help. We can even help you hang that new picture of your grandkids or fix that squeaking door hinge. The Handyman is here to help you do all those things you used to do for yourself but just can't manage anymore, all those simple things that can make life just a little brighter. So next time you find yourself frustrated by some annoying problem around the house, don't get angry, call the Handyman!!
