## City Secures Funding for Resurfacing

The City of Northlake has secured funding for resurfacing of South Roy and South Roberta from North Avenue to Soffel Avenue. The work will involve grinding off the existing surface, resurfacing, drainage structure replacement, curb and gutter removal and replacement and sidewalk replacement where necessary.

The work is scheduled to begin in April and should be completed by mid summer. The estimated cost of this work is approximately \$632,000 of which 80% of \$545,600 is being paid for with a grant secured by the City through IDOT.

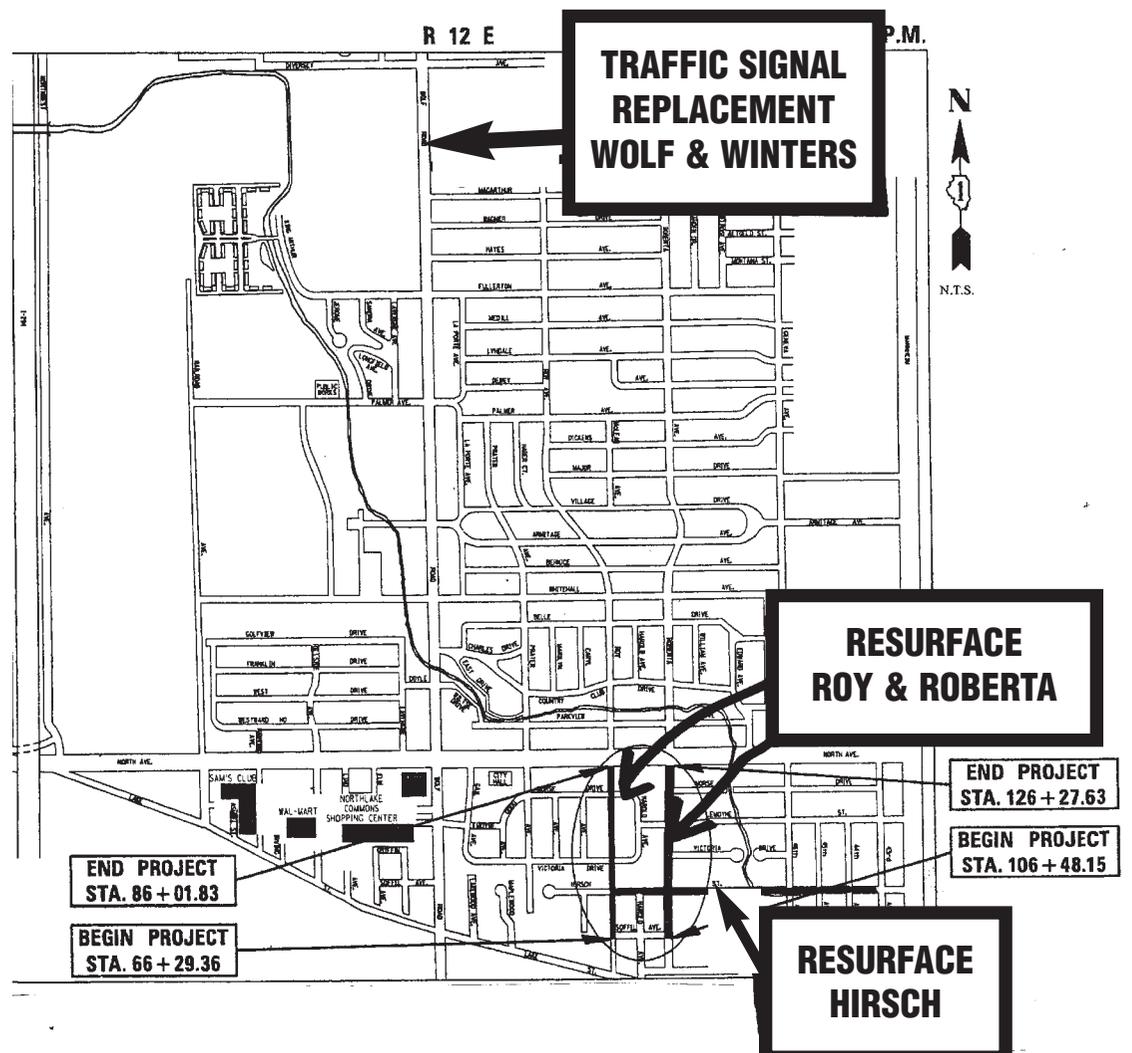

Hirsch Avenue from Roy to 43rd Avenue will also be resurfaced this year, with the scope of work the same as what is being done on Roy and Roberta. This work will begin in August and should be completed by October. The cost of this work is estimated to be \$546,000 of which 80% or \$436,800 is also being paid with a grant secured by the City.

Also set for this year will be the replacement of

the traffic signals at Wolf and Winters, near West Leyden High School. The existing signals are over 40 years old and parts are becoming difficult to locate. The new signals will be similar to the ones installed last year at Fullerton and Wolf. The estimated cost for this project is \$300,000 of which 80% or \$240,000 is being paid for with grant funding.

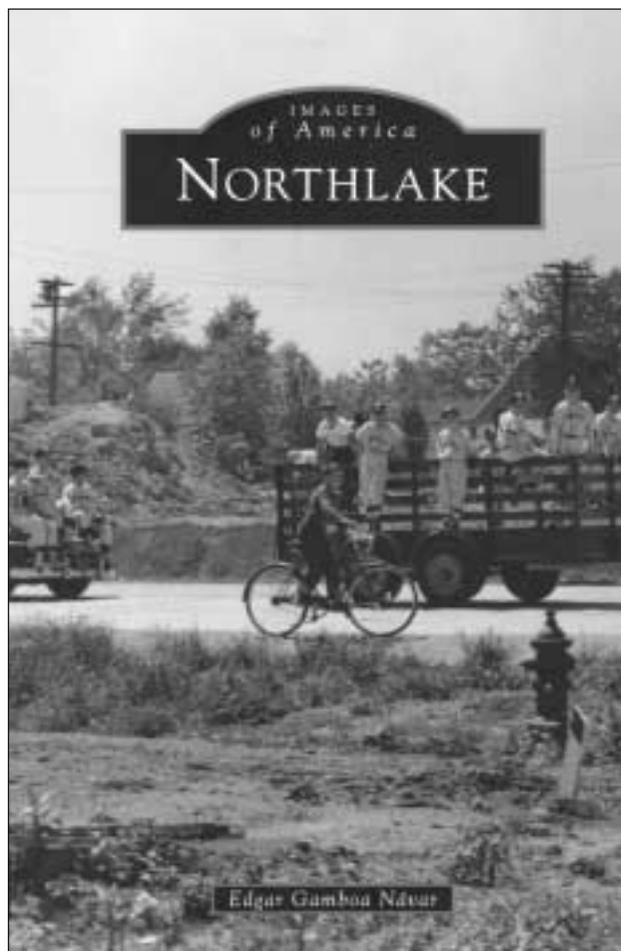

The City will be making an application for Community Development Block Grant Funding for the installation of an elevator at Northlake City Centre (the former Lutheran Church) at 112 N. Wolf Road. This elevator will make all levels of this building ADA compliant which will open up the facility for community use.

You may have noticed underground work being done also along North Avenue and Wolf Road. This work is for installation of fiber optic cable to enhance our ever growing internet infrastructure. All landscaping renovation and repairs to sidewalks and pavement will be done when this work is finished.

## Soup's On

The St. John Vianney Ladies Guild in Northlake will again be hosting the very popular "Soup's On" on Tuesday, March 12th. There will be ten different wonderful homemade soups made by the Guild's culinary experts. The dinner bell will ring at 5:00 p.m. Come anytime. SOUP'S ON will be served till 8:00 p.m. Join us for ALL YOU CAN EAT soup. Price includes salad, bread and dessert. Cost is only \$6.00 for adults, \$3.00 for children 12 and under. SOUP'S ON will be served in the gym. Call Helen at 708-562-4268 for more information. No reservations needed.

# From the Desk of State Representative Kathleen Willis

It is with great honor and responsibility that I am serving my first term in the Illinois General Assembly as State Representative for the 77th District, which includes parts of Addison, Bellwood, Bensenville, Franklin Park, Maywood, Melrose Park, Northlake, Stone Park, and Wood Dale, as well as O'Hare Airport.

As a newly elected, full-time State Representative, my top priorities are to improve access to quality education, prevent unfair property tax increases for working families and work to get Illinois back on the right track. I believe in leading by example, which is why I have chosen to not accept the state legislator pension and will support legislation that will make it harder for lawmakers to raise their own pay.

In Springfield, I serve in the following committees; Appropriations Human Services, Energy, Public Safety: Police and Fire, State government Administration and Transportation, Regulations and Roads.

As part of my efforts to stay connected to my constituents, I have created seven citizen advisory committees that will focus on different topics covering, education, seniors, women's issues, Latino issues, Public Safety, environmental concerns and economic development and small businesses. I encourage you to contact my office if you would like to take part in any future meetings and share your thoughts on the major challenges

facing our communities.

To remain accessible to my constituents, I have opened a full-time constituent service office

located at 112 N. Wolf Road in Northlake. We will be open Monday, Tuesday, Thursday and Friday from 9:00 a.m. to 5:00 p.m., Wednesday from 9:00 a.m. to 7:00 p.m. and the first Saturday from every month from 10:00 a.m. to 1:00 p.m. Our phone number is 708-562-6970 and we can be reached via e-mail at repwillis77@gmail.com.

Finally, I would like to invite you to a FREE community electronics recycling and shred day on Saturday, March 9 from 10 a.m. to 1 p.m. at my office in Northlake. At the event, your old TV's, computers, phones and paper documents will be securely disposed of by a recycling professional.

As always, feel free to contact me if you have any questions about state government or if you need help navigating through the often confusing state bureaucracy. It is a privilege to serve as your State Representative, and I look forward to effectively working for you.

## Meet the New Finance Director

Recently, the City of Northlake hired a new Finance Director. Carol Lampard is a 32 year veteran of working for the State of Illinois in

various capacities. Most recently she relocated to Chicago from Central Illinois to work for Metra, Pace and RTA conducting performance audits to identify areas that needed improvement.

Carol started her career in public service where she gained an understanding of financial budgeting

and accountability with emphasis on serving the constituents. Carol states her desire is to serve residents in Northlake so they will gain confidence in her.

Over the years, Carol has worked for Judy Barr Topinka and Secretary of State Jesse White. She oversaw a budget of over \$400 million.

Carol grew up in Genoa, IL and went to school at Western Illinois University and University of Illinois – Springfield. She has a son who is a police officer in Highland Park and a daughter who is in graduate school. She is a welcome addition to the City of Northlake.

## Musical *Footloose* Debuts at West Leyden

It is pure rock 'n' roll this March when Leyden High School District 212 Theater Department presents *Footloose* at 7:00 p.m. on Friday, March 8 and 15, and Saturday, March 9 and 16, in the auditorium at West Leyden High School, 1000 N. Wolf Rd, Northlake.

In this lively musical, big-city teenager Ren moves to an ultra-conservative Midwestern town where dance is forbidden. He breaks every taboo – including falling in love with Ariel, the preacher's daughter – and rallies his classmates to defy the town fathers and hold a rock 'n' roll prom.

Based on the 1984 movie that launched actor Kevin Bacon's career, *Footloose* explodes on the stage with classic 80s tunes such as "Let's Hear it for the Boys," and of course, "*Footloose*."

The cast, crew and production staff is composed of students from both campuses. You don't want to miss this musical. These spirited students are ready to rock 'n' roll.

Admission is \$3 for students and \$5 for adults. For more information, please visit [www.leyden212.org/finearts](http://www.leyden212.org/finearts).

# “My Old Northlake”

Ariel Babicz was the first one to submit an answer to the photo. This was the old Northlake Bridge that went across the train yard at Wolf Road. It burned down on May 22nd, 1948. There were many discussions about rebuilding, but it never happened. This picture got about 20 responses from residents.

Can you identify this photo? Submit your answer by emailing the mayor at northlakemayor@comcast.net. If you have old city photos with a story please submit copies to the Mayor's office for future contests.

## Trees Available for 2013 Planting Season

**Trees for the 2013 spring or fall planting are available. As a matter of fact, you can make a request for a tree to be planted during any time in the next 5 years. If you have room on your parkway to provide a home for a tree, call Public Works at 708-562-0940 to pick from the list of trees for planting.**

**Remember, trees located on the parkway or in the City's right of way cannot be cut or trimmed without permission from the City. The right of way is generally the area 20 feet from the back of the curb. If in doubt, or if a tree in this area needs attention, call Public Works at 708-562-0940.**

Please note: Even though you may have been on this program in the past, you must reapply each year.

The grass cutting program is in operation from April 1 until the end of October.

Name \_\_\_\_\_

Address \_\_\_\_\_

Phone \_\_\_\_\_

Neither myself, a family member, a relative, or a neighbor are able to cut grass.

I agree to the above and have enclosed my application and have obtained new and current medical verification from my doctor.

My doctor's verification is currently on file with City Hall because I also applied for the snow removal program or last year's grass cutting program.

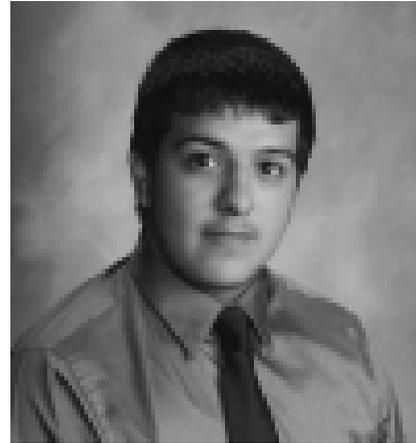

**NOTE: GRASS CUTTING ONLY. EDGING AND TRIMMING ARE NOT INCLUDED.**

**Business Education**

Priscilla Palma knows that to be successful in today's economy you need a strong background in business. She has taken several accounting classes and has been involved in Future Business Leaders of America at West Leyden. Through these experiences, she has been exposed to several business scenarios and economic simulations. Priscilla has chosen to pursue a degree in accounting at Illinois Wesleyan University.

**Business Education**

Mario Fuentes is a class leader in West Leyden's technical support internship (TSI), our student-run support desk for the 1:1 computing initiative. He has completed Google Docs, ICS, and Microsoft Word Specialist certifications. Mario has chosen to pursue a degree in computer science at Northern Illinois University in preparation for securing an information technology position.

**Family & Consumer Sciences**

William Parilla is an outstanding student who has excelled in all of the culinary classes he's taken at West Leyden. He is an independent learner who also works very well in small or large groups. William is self-motivated and produces top-quality products. He plans to start his education at the College of DuPage in culinary with an emphasis in pastry.

**Family & Consumer**

Rana El-Hindi has excelled at West Leyden, particularly in the travel course. While she may be quiet to some, she knows when it's time to shine. Her personality and well-rounded character help her shine in the best of any situation. Rana's goal is to become a family & consumer science teacher. Her plan is to start her education at Triton College and then continue to Northeastern Illinois University.

**Business Education**

Jesse Fuentes uses every opportunity to further educate himself in both business and technology. He is a valued member in technical support internship (TSI) and has interned with the East Leyden Technology Department. Jesse has been a national competitor in the Future Business Leaders of America. In college, he plans to study chemical or computer engineering.

**Business Education**

Katarzyna Wojcik has made a positive impact in her sports & entertainment marketing and business accounting classes by being a true leader. Not only does she strive for personal success, but she also pushes her East Leyden peers and teammates to be the best that they can be. Her leadership abilities will play a vital role in her future as she intends to study either accounting or athletic training at North Central College.

**Family & Consumer Sciences**

Iryna Bugay is an enthusiastic student with strong leadership skills who is a delight to be around. Her lesson plans for child care practicum and basic of teaching meet Illinois state standards and are always creative. She is serious about her work and carefully thinks through her actions and decisions. Iryna will attend Marquette University in the fall to study biology and education. We know she will be an amazing teacher someday!

**Family & Consumer**

Emanuel Avila is extremely talented and has an incredible work ethic. He has spent four years at East Leyden taking all the culinary and art classes offered. Manny is a creative person and demonstrates this with his work at a catering event, or helping with the fashion show. These experiences will help him in his future at college where he will study either art or fashion design.

## Industrial Technology

Jose Posas is an exceptional young man with a bright future ahead of him. He has completed the construction sequence at West Leyden and has gone on to explore printing and automotive courses. Jose is a dedicated student who is always striving to do his best. His plan is to attend Triton College and then the University of Illinois at Chicago to earn his bachelor's degree in business.

## Industrial Technology

Kyle Schrader has taken advantage of every automotive course offered at East Leyden. His involvement in Skills USA has allowed him to compete in the autos area against other experts in the state. Kyle's passion for all things automotive drives him to the University of Northwest Ohio where he will study motorsport marketing.

## Industrial Technology

Emilio Cadillo is a student with two passions - cars and construction. He completed the entire construction and automotive sequences at West Leyden. Emilio is responsible and dedicated. His teachers describe him as an outstanding student. Emilio plans on using his skills to begin a career as an apprentice in the HVAC field.

## Industrial Technology

Tyler Travis is a class leader with a strong work ethic. His ability to understand both the theory and application of automotives has created a foundation for a successful career. After graduation from East Leyden, Tyler plans to attend Lincoln Tech where he will study diesel mechanics.

# Career and Technical Education Award Breakfast

On February 15, Leyden High Schools held their annual Career and Technical Education Award Breakfast for students who have achieved success in various areas of their education. Mayor Jeffrey T. Sherwin, Mayor Barrett Pedersen of Franklin Park and Dr. Kathy Robbins, Superintendent of District 212 were also present.
