Tim made a motion to approve the minutes from the June 2013, meeting. Seconded, by Pat. All in favor. The motion carried.

Northlake Days 2013: Bingo had approx.. 120 people. Bingo was played until 9:00 P.m.. We had about 60 gifts and really stretched it out. It went very well.

Parade: As the parade stepped off, the Band was not ready. This created gaps, and the line up had to be altered, with the fire trucks going out before the band. The band was very upset. However, Ceac was able to put the snow plows ahead of the band to drown out the sirens. Pat voiced a concern, for safety, with people in the street on the east side of Wolf Rd.. People get too close to the vehicles to retrieve the candy. The group discussed writing a piece for the Northlake News, to address Parade safety. The Clowns had a very hard time keeping up with the Parade. Ceac will suggest they ride instead of walk, to solve this problem. 2 vehicles broke down during the

parade. Thanks to Pat's quick thinking, both were removed, and the parade continued.

Tumblers: The tumblers had to delay the show, due to the car show. The car show had more cars than they thought, and the trophy announcement went long. Once we were able to use a sound system the Tumblers began. The Coach had an amazing personality and really worked the microphone to get people over. They put on a really great show. Ceac would like to hire them again for next year.

BooFest 2013: Due to Andrea's house flooding, some of the games were ruined and will have to be replaced. The group will work on creating some new games.

Tim Rail made a motion to adjourn; Seconded by Pat Pionto. All were in favor. The meeting adjourned at 7:15 p.m..

The next meeting will be held on August 06, 2013 6:30 p.m.
