

**MINUTES OF THE CITY OF NORTHLAKE
COMMUNITY EVENTS AND AFFAIRS
HELD ON – July 7, 2015**

The meeting was called to order at 6:37pm

Roll Call: Tim Rail, Patrick Pionto, Rick Chillemi, Diane Sampson, Racquel Rodriguez

Others Present: Paul Straube

Pat made a motion to approve the minutes from the June 2015 meeting, seconded by Tim.
All in favor, the motion carried.

1. Diane contacted Virginia Kennedy and Angela Borges regarding the 5K run in the fall. The girls informed us that they have been busy pursuing their Masters and with their work schedule, they will not be hosting this event.
2. Rick has contacted the person with the Boomers, he is waiting to hear back from them. Hopefully this week. We are looking at end of August or September for this event.
3. Rick will also look into an outing at the Chicago Wolves to see about hosting an outing there.
4. We have come up with an event that we would like to explore, "Block Party in the Park". This event could take place at Centerpointe similar to Ravinia. The community could bring their own food/drinks, tables and chairs (we could encourage them to "dress" their tables with linens, candles, etc) and enjoy a night out with neighbors. We would need entertainment such as a band or DJ.

This event would have to be presented to City Council. Diane, Tim, and Rick will attend the meeting on Monday, July 13 to present the idea.

Tim made a motion to adjourn, seconded by Rick.

Meeting adjourned at 7:28pm.

Respectfully submitted,

Diane Sampson, Chairman

7-2015
