November 18, 2026

Dear Northlake City Hall

As Christmas approaches, we are grateful for the blessings our church family has received this year. The season reminds us of the hope and joy that come from giving to others. In that spirit, we invite you to join us in supporting our neighbors this holiday season.

Your gift this Christmas will help us:

- Provide food baskets and holiday meals to local families
- Buy toys, clothing, and gifts for children in need
- Help neighbors with utilities, rent, and other essentials
- Fund our Christmas services, music, and outreach events

Every gift, large or small, makes a difference. Together, we can make sure no one in our community feels forgotten this season.

We are happy to share our non-profit information with you anytime.

How to Give

- Give online through our church website www.myuturn.org
- Mail a check payable to our church, with "Christmas Giving" in the memo line
- Drop off new, unwrapped gifts or non-perishable food at the church office

Please send gifts by Sunday, December 13, 2026, so we have time to prepare and distribute them before Christmas. Your donation may be tax-deductible, and we can provide a receipt on request. Thank you for your generosity.

With gratitude,

Senior Pastor
Dr. Lawrence Perez
(847)612-4159
